1. WHAT INFORMATION DO WE COLLECT?

In Short: We collect personal information that you provide to us, as well as core connectivity metrics like your IP address.

Personal information you disclose to us

We collect personal information that you voluntarily provide to us when you register on the Services, express an interest in obtaining information about us or our products and Services, or when you contact us.

- **Social Login Data:** We provide you with the option to register and log in using your existing Google account details. The data we receive depends on your Google privacy settings but typically includes your name, email address, and profile picture.

Information automatically collected

In Short: Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our Services.

We automatically collect certain information when you visit, use, or navigate the Services. This information does not reveal your specific identity but includes:

- **Log and Usage Data:** We collect your Internet Protocol (IP) address, browser characteristics, operating system, language preferences, device name, and information about how and when you use our Services.

2. HOW DO WE PROCESS YOUR INFORMATION?

In Short: We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law.

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

- **To facilitate account creation and authentication:** We process your Google social login data to allow you to seamlessly create and log in to your account.
- **To manage user accounts and balances:** We process your information to keep your account in working order and track your available service credits.
- **To deliver and facilitate delivery of services:** We process your queries and interaction data to provide you with architectural document search capabilities.
- **To protect our Services:** We monitor IP addresses and login data as part of our efforts to keep our Services safe, secure, and to prevent fraudulent activities.

3. WHAT LEGAL BASES DO WE RELY ON TO PROCESS YOUR PERSONAL INFORMATION?

In Short: We only process your personal information when we believe it is necessary and we have a valid legal reason (i.e., legal basis) to do so under applicable law.

We rely on the following valid legal bases to process your personal information:

- **Consent:** We process your data if you have given us clear permission for a specific purpose (e.g., logging in via Google).
- **Performance of a Contract:** We process your information, including your balance and account state, when it is necessary to fulfill our commitment to providing our Services and processing your top-ups.
- **Legitimate Interests:** We process your data when we believe it is reasonably necessary to achieve our legitimate business interests, such as optimizing our search engine infrastructure and securing our application from abuse.

4. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

In Short: We do not sell your data. We share information only in specific situations with financial processors to process transactions.

We may need to share your personal information in the following situations:

- **Payment Processors:** We do not directly store or collect your payment card or mobile wallet details. For financial transactions, your payment information is provided directly to our third-party payment processors (**PayPal, Visa, MasterCard, or e-Mola**). Their use of your personal information is governed by their respective Privacy Policies.

5. WHAT IS OUR STANCE ON THIRD-PARTY WEBSITES?

In Short: We are not responsible for the safety of any information that you share with third-party providers that process your authentication or financial transactions.

Our Services utilize third-party platforms for authentication (Google) and financial transactions (PayPal, e-Mola, etc.). We cannot guarantee the safety and privacy of data you provide directly to these third parties once you leave our platform. Any data collected by third parties is governed by their own privacy practices and policies.

6. DO WE OFFER ARTIFICIAL INTELLIGENCE-BASED PRODUCTS?

In Short: Yes, we utilize Artificial Intelligence to process your search requests, but we do not share your private identity with the AI models.

As part of our core features, we use advanced semantic search capabilities powered by Artificial Intelligence (**Gemma 4**).

- **What we share:** When you perform a search on our platform, the text of your query is transmitted to the AI language model infrastructure solely to analyze, interpret, and understand the contextual meaning of your search.
- **What we do NOT share:** We do not send your name, email address, IP address, or account identifiers to the AI model provider. The AI only processes the raw search terms to return accurate architectural and document results.

7. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

Our Services offer you the ability to register and log in using your third-party Google account credentials. Where you choose to do this, we will receive certain profile information about you from Google, typically including your name and email address. We will use the information received only for the purposes that are described in this Privacy Notice. Please note that we do not control, and are not responsible for, other uses of your personal information by Google.

8. HOW LONG DO WE KEEP YOUR INFORMATION?

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Notice, such as maintaining your active account and transaction history.

If you wish to terminate your account and have your data removed, you may request account deletion at any time by sending an email. Upon receiving your deletion request, all your associated personal data (including email, IP logs, and balance records) will be permanently and immediately deleted from our active databases.

9. HOW DO WE KEEP YOUR INFORMATION SAFE?

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process, including encryption for data in transit and secure database storage. However, despite our safeguards, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that cybercriminals or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information.

10. WHAT ARE YOUR PRIVACY RIGHTS?

Regardless of where you reside globally, we respect your privacy rights and provide you with the ability to request access, rectification, or absolute erasure of your personal data. If you are located in the European Economic Area (EEA), United Kingdom (UK), or other jurisdictions with comprehensive privacy frameworks

(like GDPR), you possess specific legal rights regarding your data which we honor through our global deletion and data access policies.

11. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference. At this stage, no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online.

12. DO UNITED STATES RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?

Yes, if you are a resident of states with comprehensive privacy laws (such as California, Virginia, Colorado, Connecticut, or Utah), you are granted specific rights regarding your personal information. We ensure compliance by not selling your personal data, not sharing it for cross-context behavioral advertising, and allowing you to request immediate deletion of your data by contacting us directly.

13. DO OTHER REGIONS HAVE SPECIFIC PRIVACY RIGHTS?

Yes, users accessing our services from other regions, including African nations (such as Mozambique under local electronic transactions and data protection frameworks), are guaranteed that their electronic data is processed transparently, securely, and solely for the execution of the architectural search services explicitly contracted on our platform.

14. DO WE MAKE UPDATES TO THIS NOTICE?

We may update this Privacy Notice from time to time. The updated version will be indicated by an updated "Revised" date and will be effective as soon as it is accessible. We encourage you to review this Privacy Notice frequently to be informed of how we are protecting your information.

15. HOW CAN YOU CONTACT US ABOUT THIS NOTICE?

If you have questions, comments, or concerns about this notice, you may email us directly at: seantomasytbr@gmail.com

16. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?

Based on the applicable laws of your country, you have the right to request access to the personal information we collect from you, change that information, or delete it.

To request to **delete your account and permanently erase your data** from our system, please send an explicit email request to seantomasytbr@gmail.com using the email address associated with your account.

We will process your request and permanently delete your records from our databases immediately upon verification.
